EXPRESSION OF INTEREST

**TECHNOLOGY TRANSFER: NANO-NUTRACEUTICAL AS POULTRY FEED SUPPLEMENT
(Patent Application no.: 201711019890)**

Punjab Agro Juices Ltd, Chandigarh (PAJL) and Punjabi University, Patiala hereby invite Expression of Interest from National and International Companies in the paradigm of poultry feed supplements, for a product derived from fruit processing biomass upon nanotechnology intervention, jointly developed by the aforementioned research partners. The product is approved by a GLP certified National Toxicology Centre. The objective of this call for 'Expression of Interest' is to transfer the technology of product formulation to selected parties.

Interested applicants shall submit an "Expression of Interest for Technology Transfer" along with the complete company profile and detail of promoters as hard copy at above address or scanned copy by email at headmp@punjuice.in latest by 25.09.2018. Short-listed applicants may be invited for a presentation. Management reserves the right to reject/accept any or all the offers without assigning any reason. In future, corrigendum, if any, will be issued on "www.punjuice.in" website only.
